

## We May Owe You Money

**If you were a member of Stayton Cooperative Telephone Company receiving our services during the year 1999, SCTC may owe you money.**

The Board of Directors of SCTC has authorized the forfeiture of all patronage distributions that have remained unclaimed for more than four years after approval of distribution. The date of forfeiture is March 9, 2022.

***Members must respond prior to February 14, 2022 to receive monies owed.***

Notices were mailed to the last known addresses on June 20, 2018 to all members entitled to a distribution. SCTC is making every possible effort to find those members that did not respond to the previous notifications. SCTC has posted a complete list of members, as they appear on our records, in the list below. If your name, or someone you know, appears on the list and payment has not been received, contact us immediately.

You can email [patronage@sctcweb.com](mailto:patronage@sctcweb.com), leave us a message on our patronage hotline at 503 769-2724, or send a letter to SCTC, Attention: Patronage, PO Box 477, Stayton OR 97383.
